# MAGICAL INTEGERS

A **Magic Square** is an array of numbers in which the sum of the numbers in each row, column, and diagonal is the same. The sum is called the **Magic Sum**. Fill in the spaces to complete the Magic Square.

-16			-10
6		-4	
	2	4	-8
8	-12	-14	

The Magic Sum is \_\_\_\_\_.
