

## Math XL Log-in Instructions

1. Once you **log in to your Google drive**, you will click on the **9 waffle**
2. Next click on **MORE**
3. Scroll to the bottom, and you will click on **Pearson Easybridge**
4. On the next screen, you will click on **Realize** on the right
5. Once you are finished with that, it will bring you to the home menu (Programs-Assignments). **Your assignments will be in the middle in RED.** All you need to do is click on each assignment and complete the problems.
6. At the top right corner of each question there is a **Question Help** button. **You can watch a video of a teacher teaching this topic, look at an example, get hints, etc.** You can use these resources to learn how to do each problem and then complete the problem. **USE THIS FEATURE!**
