
FCPS Priorities for *Mathematics* Classrooms, K-12

Priority 1: Curriculum

All teachers consistently use the district adopted curriculum and make instructional decisions about how to use it in a way that aligns with the vision for excellent math instruction.

Priority 2: Student Thinking and Discussion

All students are responsible for doing the thinking and participating in academic discussions during each lesson.

Priority 3: Appropriate Balance of Rigor

All math lessons incorporate an appropriate balance of conceptual understanding, procedural skills and fluency, and application (as determined by the target standards).
