

1.1 Key Features of Functions
Algebra Two

Name: _____

Date: _____ Block: _____

For the following function, state the key features below using interval notation.

Domain: _____

Range: _____

x-intercept(s): _____

y-intercept(s): _____

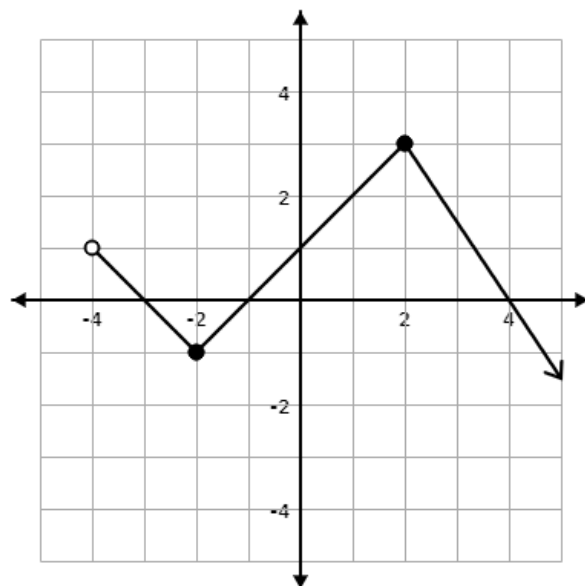

Increasing interval(s): _____

Decreasing interval(s): _____

Positive interval(s): _____

Negative interval(s) _____

Average rate of change over $[2,4]$: _____

1.1 Key Features of Functions
Advanced Algebra Two

Name: _____

Date: _____ Block: _____

For the following function, state the key features below using interval notation.

Domain: _____

Range: _____

x-intercept(s): _____

y-intercept(s): _____

Increasing interval(s): _____

Decreasing interval(s): _____

Positive interval(s): _____

Negative interval(s) _____

Average rate of change over $[2,4]$: _____
